

Congratulations on your engagement!

The following pages are a questionnaire that each one of you needs to complete and return to Shoreline Calvary Chapel.

If you have been married previously, please also complete the addendum.

Premarital Counseling consists of 7 – 1 hour appointments.

One of the first steps is to clear the wedding date and time with Pastor Jack's calendar. Because of our Saturday evening service, all weddings must be scheduled to start by 2 pm. Pastor Jack needs the travel time and time to transition between officiating and celebrating your marriage and pastoring and teaching his flock. Please also keep in mind his travel time with these guidelines. The farther from Morro Bay, the earlier your wedding will need to start.

May God bless your proposed marriage in ways you could never imagine.

Stuff to know for Premarital Counseling

Bring your Bible - You should never expect a premarital counseling appointment where you won't need your Bible. You will be reading the Word of God.

Bring a notebook and a pen— We suggest a journal that will only be used for your premarital counseling. That way you don't have to dig through grocery lists and history homework to review this vital information.

Seek honesty, humility and a willingness to pray. Remember, this is premarital counseling, not just premarital teaching. It is our desire to provide for you the clearest and most Godly Biblical counseling available,

Know that you will also need to schedule an appointment 3 months after the wedding. We like to do a check-up to review the vows as they are now lived out in reality and try to squelch any bad habits before they become every day life.

Pastor Jack's schedule is busy. You will likely need to be flexible.
