1-1) How many Israelites did we start with in ch. 1?

1-2) Do we see them experiencing God's blessing there? How?

1-3) When the new pharaoh takes office, he makes 2 judgment calls about the Children of Israel. What are they?

1-4) What is pharaoh's first plan of attack to stop the Hebrew problem?

1-5) Did their affliction make them less or more fruitful?

1-6) So what is his second plan of attack?

\*) Weaning in the Middle East is between the years of 3 & 7.

2-13) the inevitable question is: how old was Moses when he defended his fellow Hebrew? Actually, although there is debate among Jewish scholars, we who believe in the New Testament actually know. Can you find out from N.T. text how old he was?

2-14) Does it appear as if he intended to kill him?

2-15) How did the Hebrews he encountered next react to his form of rescue?

2-16) Does Pharaoh find out? How does he respond to the news?

2-17) Where does Moses go?

2-18) Interesting enough, Midian is mentioned before this as a son of someone. Who? Is there a parallel here at all?

2-19) Does it appear as the shepherds bullying the girls was a common thing?
